## Industry alliance updates

### ● Generating awareness and advocacy ●

**Sahamati and NABARD conduct Account Aggregator workshop for the Regional Rural Banks and State Cooperative Banks**

Grass root financial institutions like RRBs and StCBs, under the aegis of NABARD came together to understand and brainstorm the potential benefits of Account Aggregator on empowering low income and rural citizens with an easy, digital consent based data sharing mechanism.

### ● Fostering self-regulation and collaboration ●

**AA entities follow self regulating checklist prior to onboaring the production environment**

Nearly 30 organisations followed the checklists for customer experience guidelines and legal adherance guidelines prior to getting onboarded as Live entitiy in the AA ecosystem. The checklist serves as a self regulatory tracker, in line with manadatory requirements and standardisation of processes.

**Sahamati publishes Ecosystem dashboards**

To increase transparency, provide visibility and enable performace tracking, Sahamati has published dashboard links to individual live entities (sent privately) as well as industry wide public dashboard. The dashboard is refreshed each day to show cumulative count of accounts linked and consent request fulfilled. Consolidated dashboard is available on our website for public.

Live consolidated dashboad can be viewed **here**

### ● Providing foundational services ●

**Technical Infrastructure**

Central registry | Token Service | Industry Dashboard | Members Portal
