

Sahamati/Circular/Operations/2025-08/01

Dated: August 22, 2025

To,

All Live and Live-enabled RRBs, Sponsor Banks, FIUs, and AAs

Subject: RRB Amalgamation – Sahamati Central Registry (CR) Updates Effective 15th September 2025

This is in reference to the [Gazette Notification issued by the Department of Financial Services \(DFS\), MoF dated April 07, 2025](#), with regard to the amalgamation of RRBs on the principle of "One State One RRB". This has direct implications for their operations in the Account Aggregator (AA) ecosystem.

Pursuant to these directions, the following updates will take effect in the Sahamati Central Registry (CR) effective 15th September 2025:

- 15 RRB entities will be deleted from the Central Registry maintained by Sahamati (as FIP and FIU entries).
- 11 RRB entities will reflect updated names, which will be actioned directly by the respective RRBs.

A detailed status update for each notified RRB is provided in the annexure of the [SOP on RRB Amalgamation \(prepared in consultation with NABARD\)](#), which has been published on the Sahamati website under the [Circulars section](#) for reference.

All RRBs and Sponsor Banks are requested to take necessary steps as per the above SOP. All FIUs and AAs are requested to take note of these updates and make necessary adjustments under their respective regulations and operational processes, wherever required.
