

Sahamati/Circular/Member-Success/2026-04/01

Dated: 7 April 2026

Dear All,

Greetings from Sahamati!

We are writing to inform you of important updates to the Central Registry (CR) onboarding process for FIUs, FIPs, and AAs, effective 20th April 2025. Please read this communication carefully and share it with your relevant teams before initiating any new onboarding request.

The complete updated onboarding process is documented here: [GitBook Link — CR Onboarding Guide](#)

SUMMARY OF KEY UPDATES

1. New Email Request Format

All CR onboarding requests submitted to the Member Services team must follow the updated email format available in the guide above. The updated format includes a standard subject line and two tables covering documentation requirements and SPOC details.

2. Updated Checklists & JSON

- Customer Experience Checklist and Legal Adherence Checklist — Both have been updated with minor changes. Downloadable templates are available in the onboarding guide.
- JSON v2.0 — Please use JSON v2.0 for all new onboarding requests. Key updates include mandatory capture of additional fields and standardisation of the Entity ID format.

3. TSP & AA Association

Regulated Entities must provide the name of their Technology Service Provider (TSP) and associated Account Aggregator(s) as part of the onboarding request.

4. Five Mandatory SPOCs

All REs are required to designate the following five SPOCs as part of their submission:

- Support SPOC
- AA Program SPOC
- Implementation SPOC
- Escalation SPOC
- Governance SPOC

5. AA Program SPOC

The AA Program SPOC will be granted access to Sahamati's Self-Service Portal. Go

through [this link](#) to know more about the secret rotation.

Please ensure this role is assigned to the appropriate person within your organisation.

6. Discontinuation of sharing secret over email

Please note that secrets will not be shared with any SPOCs going forward. The AA Program SPOC will receive an email and must log in to the Self-Service Portal using their Entity ID and Email ID to generate the secret.

For any queries, please reach out to the Member Services team at memberservices@sahamati.org.in.

Warm regards,
Member Success Team
Sahamati
