Subject: ReBIT Publishes AA Client-side Standards (v1.0.0)

Dear All,

ReBIT has published the **Standards for Account Aggregator (AA) Client-side Version 1.0.0** on 30th April 2026, aimed at enhancing customer protection and improving user experience within the AA framework.

The standards are available here:

https://specifications.rebit.org.in/artefacts/NBFC-AA_Standards_to_enhance_customer_protection_and_user_experience_in_AA_Framework_v1.0.pdf

Further details on its adoption are also available under the Announcements section on the ReBIT specifications portal on the [ReBIT website](#).

All participants are requested to take note of the same and duly take necessary action as applicable.

Regards,
Sahamati Governance Team
