Dated: 31 July 2026

Dear All,

Subject: Rescheduled Planned Maintenance Notification – Intermittent Service Disruption with 2hrs downtime in production environment (Tuesday, Aug 04th, 2026 06:00AM - 8:00AM IST)

Hope you are doing well.

We are informing you about the upcoming scheduled maintenance in the Production environment for the central registry and Token service deployments, along with Firewall configuration changes. This maintenance is essential to ensure the continued reliability and optimal performance of our services.

Maintenance Window:

Start Time:	Tuesday Aug 01st, 2026	06:00 AM IST
End Time:	Tuesday Aug 01st, 2026	08:00 AM IST

During the maintenance period, users may experience a brief drop in the functionality of Production applications such as CR, Token services, SSP, sAAns and all our services. Our team will work diligently to minimize any disruptions and complete the maintenance as quickly as possible.

Please inform your team members about this scheduled maintenance.

Regards,
Member Services Team
