

To,
SEBI Live and Live-enabled FIUs (their TSPs), and AAs

Subject: Submission of AA Client Standards Adoption Report by SEBI-Regulated FIUs

Dear All,

As you may be aware, ReBIT has issued the [AA Client Standards](#) and prescribed timelines for their adoption by regulated entities, with adoption due by October 31, 2026. Notably, all FIUs are required to submit monthly adoption reports to ReBIT in the prescribed Adoption Report format provided [here](#). [[Ref. Sahamati Circular dated May 22, 2026](#)]

SEBI has tasked Sahamati with consolidating and sharing the adoption status of SEBI-regulated Financial Information Users (FIUs) by October 15, 2026.

Accordingly, we request all SEBI-regulated FIUs to upload the same Adoption Report that was submitted to ReBIT for the relevant reporting period via the link* shared with their respective SPOCs.

The final adoption report by all SEBI FIUs should be shared with Sahamati **no later than October 05, 2026**, to enable the timely consolidation and submission of the SEBI FIU adoption status report to SEBI.

We request your cooperation in ensuring the timely reporting of adoption status across the SEBI-regulated FIU ecosystem.

Regards,

Sahamati Governance Team

** Please note: The document upload link has been shared separately with the designated SPOCs for each FIU and is accessible only via their respective registered email IDs. It is not available through the website circulars. If your organisation has not received the link, please contact fairuse@sahamati.org.in.*
